

Appendix 2: Wimmera threatened species

The following table includes the species in the Wimmera that are listed as threatened under the Victorian *Flora and Fauna Guarantee Act 1988* (FFG Act) and Commonwealth *Environment Protection and Biodiversity Conservation Act 1999*.

The FFG threatened list is the new provisional conservation status assessment distributed by the Department of Environment, Land, Water and Planning for public consultation. This list is yet to be finalised and endorsed by the Minister for Energy, Environment and Climate Change.
